

Jumbo TANKS

JUMBO TANKS 12 YEAR CONDITIONAL-WARRANTY.

DripTech Irrigation offers a 12 Year warranty on Jumbo tanks used in normal applications from the date of purchase for a period of 12 years.

The warranty does not apply in the case of the following:

- Any damage sustained during the handling, storage, erection of the tank or subsequent modification.
- Reaction or soiling of the tanks from chemical agents not compatible with polyethylene (contact your nearest DripTech Branch for more details).
- Damage, failure or leakage caused as a result of any broken, loose or defective connection to the tank.
- Attachments, alterations of the structure of the walls of the tanks including welding and use of adhesives etc.
- Damage from loading or human movement on the lid and roof section of the tanks.
- Damage from moving the tank once filled or partially filled, - All vertical tanks intended for stationary use only.
- Damage from contents exceeding 40°C.
- Damage caused after purchase.

This warranty is subject to the correct installation of the tank, which includes the following:

- Correct use of connections.
- Not to use unsupported connections (Pipes etc) attached to the tank.
- No vibrating connections.
- The provision of a level, smooth and robust base for the tank, in case of beam of support not further than 5cm between beams.
- No overhang of the tank wall over the base allowed.
- The filling rate should not exceed the overflow rate.
- The tanks are intended for stationary use.
- All tanks on stands must be secured to the stand using the eyelets on the tank.

Liability in terms of this guarantee shall be limited to claims that arise from loss of integrity of the product. Liability for other losses and / or subsequent damages suffered is excluded.

All claims for replacement tanks or damages must be submitted during and up to the expiry date of the guarantee period. Proof of date of purchase is necessary. Please note that warranties are not transferable.

As Pro Rata Payment for period of use may be expected in case of replacement calculated on a formula that the buyer will be paying 8.3% of the replacement tank's value for each year of use. Example: Tank is used for 2 years – 16.6% (2 x 8.3%) payable for a new tank by tank purchaser – 83.4% subsidised by DripTech Irrigation.

As we are converters, the warranty is on the workmanship only. We have no control over the chemistry of the plastic, which we use in good faith.

DripTech Irrigation does not accept responsibility for instruction or structural costs in case of repairs or replacements.

This is the exclusive warranty given by us and no other warranty or guarantee, expressed or implied shall be of any force and effect.
